ComeTogether Logo Usage Guidelines:

Logo Misuse: Never stretch, rotate, recolor, or use low-resolution versions of the logo; avoid adding effects, placing it on busy backgrounds, altering its font, using outdated versions, cropping it, rearranging its elements, using it as a pattern, adding extra icons, implying unauthorized endorsements, resizing without maintaining aspect ratio, or using it in controversial contexts.

Colors: ■ #FF4E10 □ #FFFFFF □ #1D1E1F

Minimum Sizes

Logo's minimum width is 150px

Highlighted area must always remain clear to ensure visibility

Correct Background Color Placements
